Administrator Porter explained that an emergency meeting had to be called in order to pass Resolution 2020-132 that would authorize the Borough to apply for a grant for approximately \$8900 that would reimburse Borough expenses due to COVID-19. The deadline for the resolution to be approved by the Governing Body was today and therefore it could not wait to be placed on the agenda of the next regularly scheduled Board of Commissioners meeting on November 20, 2020.
